

<list>

Creates List widget.

Example :

```
<list style="SWT.BORDER">  
<item>list item 1</item>  
<item>list item 2</item>  
<item>list item 3</item>  
<select>1</select>  
</list>
```

```
list item 1  
list item 2  
list item 3
```
